New Music Playlists

Each week, SongCast produces a Spotify playlist featuring the best new music that has been recently added to our worldwide family of artists. From hip hop to rock, alternative to electronic, pop to reggae, we cover a wide variety of genres and will turn you on to exciting and dynamic music from all corners of the planet. Over 200 new music playlists are available.

Stream them at this link:

PUT YOUR MUSIC IN THE SPOTLIGHT!

Spotlight allows you to co-produce a custom radio show featuring only your music! Three tiers are available, from a simple two-song show highlighting your best pair of songs, to a mammoth production featuring an interview with you and showcasing six of your best tracks! Your show will stream on our SongCast Radio App, on songcast.com and you receive an MP3 copy of the show. Many lit extras are available. More information is available at this link: <https://www.songcastmusic.com/get-promotion>

Instructional Videos

We are in the process of producing tutorial videos to help you understand and navigate your way around our distribution service. From finding your account number, to uploading music for distribution, we cover a variety of topics and show you how to make the most out of our seriously simple distribution service. Watch the videos at this link:

SongCast Promotions

SongCast offers many ways to help you get your music into the ears of new people and earn new fans. From our “Spotlight” radio shows, weekly New Music Playlists, monthly indie music podcasts, and social media profiles, we have many ways to help promote your latest project. Email our Promotion Director Joe Kleon at promotions@songcastmusic.com for more information.

SOCIALIZE WITH SONGCAST!

Our social media offers many things to the indie artist. We offer links to current music related stories that can benefit the aspiring musician. We offer information on our services, profiles of our artists, links to recurring features such as new music playlists, podcasts, artist interviews, and more.
